

On-Ramp to Catalytic Philanthropy

Program Commitment

I commit to the following for the 2023 On-Ramp to Catalytic Philanthropy workshop.

I will:

- Attend each virtual module in February, March, and April and actively participate in exercises, practice, and discussions.
- Complete eight or more interviews with people in my community or field of focus, incorporating skills of deep listening and asking questions introduced in the modules.
- Take time to reflect on and synthesize the learning and insight from these interviews, incorporating techniques introduced in the modules.
- Actively participate with my peer coaching group.
- Complete any individual pre-work and follow-up activities.
- Offer ideas, suggestions, and feedback in a constructive manner.

I understand that, if I do not follow through on the commitments above, I will not meet the requirements for successful completion of the On-Ramp to Catalytic Philanthropy program.
