2023 Call for Sessions – Form Preview
2023 Annual Conference | October 17-19, 2023 | Baltimore, MD

Proposal Components
Below is a preview of the Call for Sessions Form. Please fill out the form online HERE.

Evaluation Criteria
We are seeking sessions that provide *actionable instruction* for our community of lean funders. Our expectation is that session designers articulate educational take-aways that are both specific and universal, rather than tell a story about one foundation's work. Proposals should clearly illustrate how this will be achieved in a 75-minute session.
